

Martin O'Malley, Governor
Anthony G. Brown, Lt. Governor
John R. Griffin, Secretary
Joseph P. Gill, Deputy Secretary

Addendum

If you are a participant in the State's *Marylanders Plant Trees* program as well as in Baltimore's *Growing Home* campaign, the State will reimburse the full value of the \$25.00 coupon to your nursery.

To be eligible for refund of the full value of the \$25.00 coupon, you must include a copy of the *Growing Home* coupon with the *Marylanders Plant Trees* coupon. The attached proof of payment must indicate that credit for the two coupons was applied.

Please continue to work with the *Growing Home* coordinator for reimbursement of their \$10 coupons.

Although *Growing Home* allows the use of their coupon on non-native trees, the *Marylanders Plant Trees* program will honor only coupons for native tree species listed on the Recommended Tree List at www.trees.maryland.gov.
